I am so sorry for your loss my dear friend.

- Frances Mendoza

Hi Peggy and Family I am so sorry to hear of Denny's passing. I remember all the Thorntons and Denny so well from the CB ward. I was in his seminary class and he sometimes drove us back to school. He was such a great guy. Peggy was such a blessed lady to have him for 55 plus years in her life. He truly served in the gospel and the world. I am pleased to call him and his family "friends". Prayers are with you at this tender time. Love Cheryl

I'd like to extend my deepest sympathy to the Stoker family. I will always remember Denny Stoker as my early morning seminary teacher while I was in high school. He was kind, caring, and a lot of fun. He united our seminary

class through our class photos and activities. I was so happy to see him a few years ago when he and Peggy attended the funeral of one of my parents. My prayers are with the family at this time of loss. But what a great comfort it must be to know that he was true to the faith and that he positively impacted others, including me.

Words cannot express what my heart feels at this time. Dennis always treated everyone with such kindness & understanding. He was a pleasure to work for. A genuinely compassionate, honest & sincerely gentle soul. May your loved ones be flooded with peace to fill that giant empty place you've left behind.
