November 5, 1935 ~ April 27, 2024

Beloved mother, grandmother, sister, and friend Marian Driggs Gresseth, of Salt Lake City, passed away on April 27, 2024 at age 88.

Marian grew up in the Sugarhouse neighborhood with her sister Ann and parents Keith and Connie. She graduated from East High School, then from the University of Utah, with a bachelor's degree in Fine Arts.

She was happily married for 46 years to Gerald Gresseth, a University of Utah Classics professor. They raised five children: Delia, Hilary, Curt, Cecily, and Maggie. Marian adored her four grandchildren: Ivan, Darren, Angelica, Hayden, and Max – and three great grandchildren: Ian, August, Diovanni, and D'Artagnan.

Marian was a life-long artist who loved painting cows and horses at Wheeler Farm, designing fantastical costumes for Halloween, creating beautiful holiday tables, and more. She was a friend-for-life to many. Known for her vigorous and vibrant approach to life, she will be missed.

Memorial services will be held on June 5, 2024, from 4-6pm at Murray Park Pavilion #4 (406 East Vine Street, Murray, Utah). Please email MarianMemorialSLC@gmail.com with any questions.
