I am so grateful that I lived near Diana for so many years and got to know her well. She was always the sweetest and most humble person. Although she was quiet and tried to be unassuming, she was radiant, funny and a delight to spend time with. She has been a nice compliment to Pete. We will miss such a wonderful woman here on Earth, but she will fit in well in Heaven.

So sorry to hear of the sad passing of Diana. I first met Diana in 1979 when Kathy and I joined the church. Diana was always such a kind, gentle person and I have many lovely memories of her. She will be very sadly missed. RIP Diana. Xxxx

Dear Pete and all your lovely family. Sending you all Gods love at this very difficult time. What a beautiful soul Diana was, and a friend of mine for 53 years. We were 11 when we met! I feel so sad at her passing, but knowing she is being so looked after and in such a wonderful place, makes it more bearable. I was playing the album" The Plan" on the day of her passing, but didn't know at that time that she had passed. God Bless you all. Karen and Ken. Brighton, England.

Diana was one of the most caring, loving and sweetest woman I had the pleasure of having in my life. Her thoughtfulness was something I truly admired as well. She treated friends of family as family themselves. She always made me laugh when I heard her say “Chrisss” (if you know, you know).

Diana- You will be so missed at JVS, you were always so kind, thoughtful and pleasant to talk with. I just noticed your middle name is Grace...I don't think that is a coincidence <3 Love, Glenda

Dear Pete, I had NO IDEA that you and your family have experienced the passing of Diana, until today. I am only aware because I was searching for someone at the Larkin website and stumbled across this horrible news. Thank you for speaking at her funeral, and providing some background information to something that shakes the earth as I think about it. The speed at which things changed for your family was lightning fast, and feels similar to the passing of my Mom - a few weeks ago from leukemia. I found your remarks to be vintage "Pete" in that they were spoken from the heart, spoken with kindness, and great sincerity. I remember feeling those attributes from you beginning with our first days in the MTC, and throughout our missions. I would love to visit with you in person, please let me know if you're up to it and a time that is convenient for you. Blessings to you dear brother, Paul Young
