

Nellie Irene Page

November 8, 1940 ~ September 18, 2020

I am so sorry for your loss. What was said in her obituary that if she only had a dollar to her name and someone needed it, she wouldn't hesitate to give it to them, was very true. She had a good heart and loved her family very much. R.I.P. Nellie

Our condolences to Nellie's family and friends. She was a dear friend. I met her when the family moved into Whittier Ward. Nellie was always cheerful and thoughtful. She liked going out and having adventures. She loved singing the hymns of Zion and participating in church services. She always thought about others first. If I took a treat to her, I always took a lot because I knew she shared with everyone around her. She loved her family and was proud of all of them. She had their pictures on the wall in the care center and talked about her children and grandchildren. I laughed when we had races in the halls at the Avalon. I could not go as fast as she could in her scooter. She loved the flowers her family and friends gave her. She was always more concerned about others than herself. I miss her!

We will miss Nellie's phone call. Also our birthday luncheons. She used to end us comments and quotes. She had a sense of humor. One day I was sorting things and she told me to point an it would disappear. (like the commercial said) She sometimes called herself the little red hen. she liked to plan ahead. She liked making people happy. She loved her family very much. She ill be missed. Sincerely, Marva Hepworth and Valerie
