Much love and prayers to your family at this time. I was 1 of their missionaries, I really enjoyed them and Columbus Ohio mission. Definitely a bitter sweet how close they went together. Love from our family prayers ■

What a powerhouse Sue was, and it was my honor to spend precious albeit too little time with her. She lit up the dance floor at our wedding (as did her daughter,Katie) and I see the spark she passed on to her children in my own daughter, Zora. I miss Sue, and will miss her but I find comfort in knowing she’s reunited with her eternal love.
