

Aenona "Nonie" Mayhew Crocker

August 12, 1927 ~ September 4, 2021

Dear Kevin and Gary and families, Our heart goes out to you all at the passing of sweet Noni. How blessed our lives have been by the lifelong and eternal friendship that our parents enjoyed. It all started in the 14th ward. We were forever changed by Noni and Crock's outreach to Ken and Ginny. Once they got them to explore the blessings of taking our family to the temple- they then invited them to take our family to Lake Powell. It was another metaphor for the temple because we felt the spirit there in the majesty of the sandstone canyons and beautiful scenery. It knit our family together and created a lifelong friendship with the Poulsons and Crockers. Her sweet continued friendship with Ginny after the loss of Ken and Crock has been dear. Their connection over Jazz games has never ended and took them right up to this past amazing season., We love Noni's elegance and true grit spirit. There was nothing she could not do. We all were taught to waterski on one with Noni's tutelage and then she helped us take it one step further and taught us how to take off from shore. She was always a cheerleader and a champion of others. We love this beautiful matriarch and feel tender thinking of her reuniting with Crock and Tammy. All our love to each of you-
