"Thinking of all in the family and sending love as we celebrate Grandma Nitas remarkable life. What an amazing person she was and what a remarkable life she had. I feel so lucky to have had grandma Nita as part of our family and to be a part of hers. She touched so many lives in so many ways. Sending our best regards and wishes to all the family. She will surely be missed and remembered dearly."

Aunt Nita was a constant in my life - she and Glen attended family milestone events and annual Christmas parties. She was a role model to me in keeping blended families together and navigating “new normal” (I’m celebrating 11 years as a stepmom to 3 now young adults). I love that she kept family histories both scrapbooks and a monthly Gazette. She is also memorialized in our family cookbooks - her layered Jell-o salad remains one of our favorite recipes. I am grateful Sheila recently brought Nita to my cousin Katie’s baby shower and we could say our goodbyes. I will miss Nita’s quick wit and compassion. Sending comfort to the family. We love you.
