- Brent & Shar Bennion

Diane and I were high school and college friends all those many years ago. My husband and I moved to Arizona soon after our marriage, so I lost touch with her and Richard. What I do remember about Diane is that she was very upbeat, never complained, and always had a smile on her face. She was simply a joy to be around. My thoughts are with Richard and their family to cherish the wonderful memories of Diane and be assured of a grand reunion with her.
