February 14, 1937 ~ June 2, 2020

Jean was a very good friend. I have good memories of the trips we took together and the movies we attended. I have missed seeing her since she moved to Arizona. God be with her and her family.

Thinking about Jean and especially about her family today.,, as you pay your final respects to a lovely lady. Please know that my love and sympathy are with you, especially to Jeff, Haley,Emily and Jace. I know how much she loved all of you. She was so proud of her grandchildren and how well they were doing in school. She often mentioned this in our conversations or emails. She was a good friend and will be missed. Idonna Dority
