

Patricia Ann Robinson Gardner

April 3, 1941 ~ January 22, 2024

I remember Pat from the mission days in France, especially her ready smile and great laugh. Elder Gardiner and I were companions in Mulhouse for a period of time . I touched basis with them when they were in Payson , Arizona and he was trying to eek out a living as an artist/sculpturer and had that whole passel of kids in a small Volkswagen. I was sorry to hear of his losing his way . My condolences go out to her family ...she entered a room and it lit up.
