I'm a friend of Lynda and Ken from when I lived in Madison, WI. In fact, I got her a job working at the Wisconsin State Capitol in my office. While I never had a the pleasure of meeting Dolores, I remember Lynda speaking fondly of her mother. She must have liked to smile, Lynda had to have learned that from her. May your family cherish the many fond memories and remember that families are forever.

Dolores served in the Cottonwood 4th Ward Relief Society as a teacher and visiting teaching supervisor when I was Relief Society president. She was always well prepared and organized, eager to do her best. She was one of the sweetest and gentlest people I have known, and she loved her family deeply. May you cherish all your memories of her.

I am so sorry to hear this. I just found out. She was such a sweet lady, and I was happy to call her grandmother as a young young child. I could still hear her voice in my head and see her face.
