

Jay Meldon England & Patricia May England (Fletcher)

July 20, 1940 ~ April 21, 2026

We loved having Jay and Pat as neighbors in Willow Bend! As stated in their Obituary, they were always loving, kind, cheerful, and generous! It is blessing that they were able to leave this life together! We know you will miss your beautiful parents' presence, as they built such a wonderful family culture together! May you have JOY in your memories of them, and PEACE in Christ as you mourn their loss. You are in our prayers! With love, Tom and Martie Mumford

Dear Angie, I know there are no words to ease the pain you and your family are experiencing right now and the double loss of father and mother... grandfather and grandmother. May the Lord comfort your hearts as you grieve as family and friends, your in my thoughts and prayers. Love from your brother-in-law... Kirk

- Kirk K. Peterson

My deepest condolences to the family and friends of Jay and Patricia. May you find comfort in the love they shared and the memories that will always remain. <3

- Janell

I would like to share memories of Jay England, Jack Fletcher and others. From about 1965 through the early seventies, Jack Fletcher would come to Salina, Utah, with his sons-in-law and hunt pheasants in the area. They enjoyed the hunt and Jack Leaming, my father would secure permits to hunt specific areas. I was about 10 when I remember this happening and must have been a pest, but they tolerated that well. Finer examples of gentlemen I cannot imagine. Jack, Jay, Dick and eventually Bryan were happy to hunt and visit after the hunt. It wasn't so much about the harvest, but the association for them. It was an event looked forward to during those years by my father, for them to come. Jay was so kind and left an impression on me of what a young boy ought to emulate. I will always have fond memories of Jay, Jack, my dad and those days. Please accept my condolences for your temporary partings, but know your posterity is made of the finest people. Gary & Lisa Leaming Redmond, Utah
