December 16, 1944 ~ February 21, 2025

We served a mission in the Waterloo ward and we were able to get to know Portia. I will always remember her friendly smile and great attitude. I'm sorry to hear of her passing. She will be missed.

Dear Porcia - - How you will be missed! Your sweet spirit, and your determined attitude. You were a great example of diligence, and you had a strong testimony that kept you centered and joyful no matter your circumstances. I loved your constant smile and the times we laughed our heads off together. You enriched my life as a precious friend, and I will never forget you and the special times we shared together. We saw you the week before your passing, and I will always remember your positive attitude and sweet smile. You faced many challenges, but you were strong and positive through it all. You will always hold a special place in our hearts. You are so blessed to have Moses follow right as your heels - - just the way it should be! Love you forever my sweet Porcia!!
