I am so sad for the loss of Doug. He was a loved part of our family and we will miss him. Life is such a fleeting thing and when our loved ones leave us we mourn the loss of their presence in our lives. We are praying for Doug’s wife and children that they will be comforted at this time of loss. We will miss you Doug.

I was saddened to hear of Doug's passing..... I've missed his smile and he was always very nice to me while we worked together at Jefferson Jr. High! My sympathy for you and the boys.

Doug my co-worker, my best friend for 33 years. I met him opening Jefferson Jr.High. Doug was an amazing man. He didn't want many to know how soft his heart was. I was lucky enough to see his interactions with Students at their most awkward times, his patience, sense of humor with them was amazing. Doug was our Counseling Center's "go to Diabetic Expert" if a student/staff was ever in a Diabetic emergency, Doug was right there to help. He was highly respected by Granite School District Maintenance Dept. as a professional, skilled, honest, kind, friendly, co-worker. Doug loved his family deeply. He wasn't a man of many words, I was one of the few he share his pride of them with. He was so very proud of his boys and their successes. He loved his Kanin and Rue Rue (his

name for her) so much, he loved to argue over names of things (pizzer, buca-buca) with a 5 year old, and loved watching Rue in her shorts and her cowgirl boots.. Much love to Maryanne, Preston, Cameron & Shanin and their sweet little family.. My heart breaks for you and your loss of a your partner, your Dad and Grandpa. I'm going to miss him very much, a friend like him doesn't come around often. He's finally feeling better and at peace with his Dad and Brother.
