Steve and kids I just wanted to let you know my thoughts and prayers are with you all at the loss of your wife and mother. My mom and dad thought so much of you both and cherished your friendship. May peace be with you at this time. Sincerely, Darryl Syversen

Dear Green Family, Sister Green and her family were very good to me. They supported me through my mission. They helped make that experience possible for me. And it set a foundation for a great life. Thank you! May God bless your family. Sincerely, Shay Syversen

We did not know Sharlene Green for too many years, but through her granddaughter McKelsie we got to know what a beautiful person she was. There surely never was a kinder more loving woman. She and her husband also gave us a wonderful daughter-in-law. We send our deepest condolences to this beautiful family.
