Don was a joy to work with and be around. He always had a smile on his face. And a kind word to share with you. He was a great businessman and treated all his customers with the same respect. I will surely miss him and his big smile. Much love to you until we meet again my friend. Harry Lee

I have known Don for over 30 years. He has always been a great example of how to live your life. Always totally honest in his business dealings and even put my needs first before any profits he ever made. Anyone willing to follow the example he set for living life would be well rewarded in this life and the life to come.

It was always a welcome greeting…."Hi, honey!!" Don's business was at the Expo Mart for years and my husband, Bick, and I were blessed to know this sweet, smiling man. Happy, fun and loving. You just never forget that kind of soul.

I am shocked and I guessed I should not be because Don lived an entire life to age 93. Please accept my deepest condolences. Don treated me as a friend from the first day I was introduced to him and every minute with him in the store or on the phone was an education and encouragement . May God bring you peace and comfort during your time of mourning.

I first met Don and his beautiful wife Terry 42 years ago. at the Hotel on 6th So. just off the freeway exit. They were there every Tuesday selling jewelry then I followed them to the Expo Mart. After he retired, Don would call me at least once every few months to make sure I was keeping up on my Silver. I'll miss your calls my friend. Don was one of a kind. He was one of the sweetest and kindest men I have ever known. I am blessed to have known him. In Loving Memory, Gods Speed Michelle Boehme
