

# Raeola “Rae” Farmer Robinson

*October 9, 1925 ~ May 22, 2025*

---

I first met Rae when Chris was in college and a friend of mine. Years later I moved into her Oak Hills neighborhood and we remembered each other. I saw her off and on over the years and we talked. When my husband was the Bishop, she came to a few church parties and called me on occasion for various reasons, always giving me updates on the family, especially Kelly and her kids. (I think she assumed I stayed in touch with Chris to get updates on the rest.) She was so proud of all of you. Condolences on her passing.
