So sorry to here the news of my dear cousin. I have fun memories of times we were together at Grandma Wenerstroms when we were younger. As we grew older we'd go watch his baseball games (we thought him and his friends were so cute!) heartfelt condolences being sent to you girls. ■❤■

Aloha Natalie, Amanda and ohana, We are saddened to hear about Grandpa/Dad's passing. He and Grandma/Mom raised a beautiful family of compassionate, intelligent and open-minded children and grandchildren. Their legacy will continue for eternity, and we are grateful to have you as good friends from across the ocean. With much aloha and hugs, Georges
