

Ramona Alene Seals

January 7, 1949 ~ November 15, 2025

Alene and I met when we were 14 years old in our sewing class at Roosevelt Jr. High. We instantly became close friends. We were able to share challenges and successes of our lives. She always made me a part of her life and shared her life experiences with me. Every time we meet, it was as if no time had passes since we last visited. I will miss her and all of her love, and support.

Alene was a special and loving friend. We knew each other for over twenty five years. I have joyous memories of her and will always miss her. Love you, Alene!

My heart goes out to the whole family. Your mother was a sweet soul and always kind. May she rest in peace.

We lived in the Holladay 1st ward with Alene. She was a saint, always giving. I remember the first time I met her. I was a newlywed and had just moved into a home on Holly Lane. She was serving as stake relief society president. She and Holly came to visit me one evening within the first month of moving in. I could not believe her tender watchful care and the time she spent getting to know me. She is truly an amazing and inspirational woman. I admire her and want to follow her example of compassionate faithful service. Alene will be greatly missed by us on earth, but I am sure those in heaven are rejoicing her return. May your hearts be comforted and you feel the presence of angels as you remember sweet Alene.

Sweet Aunt Alene, I have fond memories of you during my childhood years, but wish we had spent more time together. You were so kind and caring. You always had a smile on your face. You will be missed! To all of the kids, I am sending all my love and prayers as you move forward. Love and hugs to you all!

Aunt Alene was always so kind and was steadfast in keeping in touch with me and my family. She would send the sweetest cards and little gifts and activities for my children when they were younger. Such a kind and loving person that will be missed. Sending all our love to her family during this sad time. Allie & family

I wanted to apologize for not making it to the funeral in person today because I was sidelined by a car accident yesterday. I attended virtually and it was such a beautiful tribute by everyone to Alene. God bless you all at this tender of grief. It’s a testament of your love for her.

I was a caregiver for Alene when she was at the Wellington. She was one of the kindest people I've ever met and we had many long, good talks in the time she was here. It was a privilege to get to know her and Holly and to be able to provide some safety and comfort where I was able. Condolences to her family, may she rest in peace. She was such an inspiring, authentic, empathetic, resilient and giving person.
