Sharron, So sorry for your loss of Al. I remember us hanging out when I was married to Ric Hartman. I will be praying for you and your family.

Sharron I was so sorry to hear that Al passed away. He worked hard at YESCO and was a real contributor. I am grateful to know you and him. We pray that you will feel comforted and blessed by the Lord as you move forward in the years to come.

So sorry to hear the passing of Alan. I will forever cherish the fond memories, especially our wrestling time at Jordan 65'. He will be missed. Condolences to the family.

- Robert Maestas

I'm sorry we never had the pleasure of meeting Alan, but Linda and Larry had mentioned him frequently during our 40+ year long friendship. We pray that God will comfort Alan's family. Thinking of Larry Latimer, and all of Alan's

friends and family.

- Cindi Pfost

Sharron and family, hope all is well for you even through this tough time. Al was an important influence in my life as a mentor and friend during the 80's & 90's. We were the last of the Sign & Advertising "Madmen" who pathologically rejected authority, salaries and hierarchy's of men. Al was the top guy outside of Vegas, he knew I envied that and yet he helped me along, a truly good friend and a mentor with no agenda for a return of invested time in me. I am eternally grateful. All the fun... hunting, fishing, poker nights, traveling together ...those were times I think of often, Al would make wherever he was..the funnest place to be. Being the coolest guy, the top guy, the closer, the guy who offered advice to anyone that asked for it, the guy you would call if you are broken down in the middle of nowhere, the guy who was such great friends with his clients that they wanted to hang out with him even though they didn't need to buy anything..... it was a rare combination, a rare gift he had... Such an opportunity for us all to witness his life. If you're having trouble getting into heaven, just tell the guy at the gate you are buddies with Al Latimer, problem solved. I was honored to benefit from knowing him. Rest Well my Friend, Jeff Krantz

- Jeff & Mitzi Krantz

Sending all my love and prayers for comfort and peace to consume all of us who love Al. I'm eternally grateful for having had him in my life. May you rest in peace ♥■

- Rhonda Latimer

Dear Sharron and Family: I was saddened to hear about Alan's Passing. He and his family lived literally a stone's throw from us on Galena Drive in White City and Sheri was a classmate. I have fond memories of Alan as somewhat of a wild child. But, he was always good to me although a couple years older. I wrestled the same weight as he did as a Sophomore at Jordan...and he beat me up, it seems like every day at practice; but he was a great wrestler and great guy who also taught me a lot about wrestling and toughness. I admired him as I do you my old friend and fellow Beetdigger and along with Sheri members of the Class of '68 at "Dear Old Jordan High. My thoughts and prayers are with you and you family. May Alan Rest In Peace and the Perpetual Light Shine Upon Him. Ron
