Verena, Sophia, Kylie, Natalie and Michael: I'm so very sorry for your loss. Alan (Dad) was such a special person with whom I shared a cherished friendship. He was always there to assist anyone in need. He put his country first serving for so many years. I remember attending your baptisms and birthdays in addition to 4th of July anniversary cookouts. Alan, may you rest in the sweetest of peace, your suffering is over and you are surrounded by God's perpetual light. Until we meet again my dear friend, I will carry you in my heart.

Upon seeing this obituary, I paused a moment to pray for all of you who are family members and have lost this loved one. I, too, have lost my brother to ALS. I am all too familiar with this difficult disease. May you find peace and comfort in the promises and reality of the gospel of Jesus Christ. For him, there are no mistakes or shortcomings. Your loved one has returned Home and found eternal rest in the loving arms of our Savior. Although I do not know you, I am moved to pray for all of you at this time. Please know that the love of God is greater than you can possibly conceive. Go to Him for all things and He will be there for you today and forever. Great is his

faithfulness!
