

Richard Quill Findlay

December 6, 1955 ~ September 22, 2024

Sad to hear of Richard's passing. He was a great kid full of fun. Haven't seen Richard in many years but the Richard I remember was so funny, he use to call me Pugsley So sorry for your loss.

I'm so sorry for your loss! I always enjoyed your family's visits to Kanab and my parents (Gladys & Virgil Riggs) spoke often of Quill and Fay. May you be blessed with comfort and peace in the days ahead.

- Rosa Lee (Riggs) DeMille

I am so sad to hear that Richard is gone from earth. He is an awesome person. I grew up with him. I think I have known him since we were only 6 or 7 years old. About 10 years ago I had all of my teeth fixed and Richard made each tooth perfect. I had the pleasure to speak with him, laugh with him and thank him. I would like to share my sincere sympathy and prayers to all of his family. I know he is happy in Heaven. Bye for now Richard!

- Susan (Langston) Sawyer

Sending hugs & love to you all.

I remember coming over with Brittni to his house a few times and he was so nice and just a ray of sunshine. He will be missed.

There are times when we meet someone later in their life, and it requires love and patience to know them, but we see a glimpse of who they truly once were . But it is through that love that they love you back. and you develop a friendship… you honor their good name! and share commonalities like a grandson …Which make it all possible! ❤■

Richard, we already miss you at the local branch. Rest peacefully and watch over the delightful family left behind.

While I didn't know him personally, I know of Mr. Findlay through his amazing daughter Stephanie who I've worked with for years. His love of his family really shines through in his obituary. Prayers to all of you during this difficult time.
