It was a pleasure to have known Alan. He was always happy to see us and never had a negative thing to say. Marshal will miss talking cars with him but will remember the great times they had drag racing in Evanston. Thank you Alan for your positive influence in our lives. We love you! Blessing for your family. Until we meet again.

Dear Sister Potter and family: We are sending hugs, prayers and lots of love to you all! We were sorry to hear of Elder Potter's passing to his next adventure, but we are sure he is already busily enjoying It. We are sure he misses all of you terribly as you miss him! Grief work is the hardest work we ever have to do! But, we have to do it and as

we do, with the help of the Savior and His Atonement, we can find peace and assurance of eternal blessings awaiting us! Take special care and remember to remember him in all you do! Celebrate his life and his love! Sincerely, Elder Kent and Sister Colleen Chidester
