

Doris Gail Madsen Anderson

August 29, 1939 ~ October 23, 2024

We send you our love I know this is a difficult time but you have wonderful memories and lots of love

I was saddened to hear of Gail's passing. She was a wonderful part of my life living in the same neighborhood in Orem. Gail's sweet spirit has been a blessing to many. I appreciated her help sending her kids to babysit my kids at times. May your family be blessed at this tender time.

We loved the Anderson family and we are so grateful they were our neighbors. Gail raised sweet daughters who were great baby sitters for us Brian was our son’s good friend Gail was such a gentle, loving, good woman. We are grateful to have known her and appreciated her goodness We know your family will miss her. All her healthful herbs paid a great dividend and you enjoyed her for these many years God bless. From the other Andersens. ❤■

Seeing the obituary photo of Doris Madsen was a blast from the past. (I knew her as Doris, not Gail: our yearbooks all list her as Doris as well.) She and I lived in the same neighborhood and went through school together up through our years at South High. We were in the same Seminary classes. We were often in the same social groups. She was a solid and caring friend. I'm sorry for her passing but grateful that I've had cause to remember such a great lady.
