

Doris Gene Hill Best

December 26, 1923 ~ February 26, 2022

Your mother had such a positive-can-do attitude and was always hopeful for the future. We appreciated our association with her over the years. She was a true noblewoman who raises a large and righteous posterity. There is a bright crown of eternal glory for her in the eternities. We loved her and will miss her. We love your family. Please accept our sincerest prayers, sympathies, and best wishes at this time. R. D. Dennis

I love Doris. I know Doris is with Ruth and Howard. God Bless the children. Doris would love it. Ruth always loved us all. My best friend for ever Ruth. God bless you always Doris.

- David

Barbara, I have many fond memories of your mother and of spending time at your house when we were children. Peace be with you, Lisa

- Lisa Topham Fotheringham

Thank you very much for sending the zoom link for the services. I know how it is when you lose someone that you love that's so close to you. No words can ease the pain. I pray that each of you will find peace through God's will.

We would like to send a condolence on the passing of Doris. My name is Nancy Hill, I am daughter of Leslie Hill, and granddaughter of Floyd Hill (twin brother of Lloyd). I do remember Doris as a young girl at a few family reunions many years ago. It seemed we always received Christmas cards every year so families stayed up to date. My aunt Helen Hill Foote is my only remaining aunt and she is currently residing in Northshire Nursing Home in Spencer iowa. I believe she received a call from one of you regarding your mom/grandma She wants to send a

card but uncertain best address...if you could advise. Thank you and again, so sorry for your loss.

- Nancy Hill

May she rest in peace.■■ Sounds like she lived an awesome life and had many great memories with her family. My grandma Laura Ruth Hill Shankel (sister of Doris) was also an amazing Scrabble player and would beat me in every game! Smarts seems to run in the family. God bless her children and grandchildren and great grandchildren.
