I'm so sorry to hear about Richards passing. He was very knowledgeable and always fun to talk to. He will be missed.

Just heard about Richard’s passing. Always enjoyed seeing Richard and Sally at family reunions. Our gatherings won’t be the same without Richard’s smile or sense humor

I am sorry for your loss Lori and Becky. I didn't know your dad too well, but I knew him through his sister and he helped her a lot driving her to appointments and such. He was a good brother. I know how brothers are because I have 4. My thoughts are with you all. I am sorry I kept pestering him to give her notes. Sincerely, Jolyn
