

Richard Elijah Chipman

February 24, 1933 ~ May 26, 2024

Uncle Richard was a good man through and through. Kind, smart, dedicated, and so much fun to be around; he was (is) the complete package. We feel bad that we won't be able to attend the funeral as we will be out of state attending our grand daughter's baptism. We will miss not being able to see and hug everyone and celebrate a life well-lived. To Aunt Joanne and all the cousins and family please accept our sincere condolences and know of our deep love for each of you.

Sending heartfelt prayers and love and condolences to my dear family!. Richard is such a dear sweet man with a great sense of humor and so enjoyable to be around! I have fond memories of our fun visits to Salt Lake to be able to be together as a family. Love him so much!

I was so sorry to hear of Richard's passing. I just found out the scheduling of everything late last evening through Don Clynick. I have been very ill myself for 5 days so am very weak & have no energy to get up there. I'm hoping I can figure out the Zoom thing to watch it on my PC. Joanne, may you & your family be blessed with peace & love during this difficult period. Know I would certainly be there to help support you if I was able. Love, ❤■ Donna

Sending my heartfelt condolences to my choice brother in law and his choice family. I have wonderful memories of this choice son of a loving Heavenly Father. I loved Richard's sense of humor and always his cheerful manner. May your family be blessed until you all meet again. I love you all. I'm connected via zoom as I listen to your loved ones talking about you and how you have influenced each one of them. I wish I could emulate your example. May God be with all the CHIPMAN family..
