I am deeply saddened to learn of Dorothy’s passing. What an elegant, spirited, unique, and wonderful woman. The photo shows how gorgeous she was—always—and the obituary perfectly captures her beautiful life. I have happy memories of Dorothy on the tennis courts at Fort Douglas (she was competitive and good!), her cheering Shannon and me on in the high school tennis tournament, and seeing her over the years. How lucky I was to have known her. My heartfelt condolences to Stacey, Scott, and Shannon. You make your mom proud!
