

Alex Michael Johnson

October 21, 1992 ~ November 4, 2025

I had the privilege of having SPC Johnson in my squad when we were deployed to Cuba in 2014. I will say this, Johnson kept me on my toes. He had this innocence about him that was just so funny. He struggled with his 2 mile run so he and I ran often. I lost touch with AJ after a few years but seeing someone so young and full of life and potential taken from us breaks my heart! All the family and friends have my condolences. I am sitting here in my garage and this has absolutely taken the wind out of me. 1SG Scott Mickiewicz

I'm so heartbroken to hear about Alex's passing. Alex was a kind and genuine person. Always calm, soft-spoken, and thoughtful-yet incredibly strong and dedicated to his work. He gave so much of himself to protect others and always went above and beyond, not because he had to, but because he cared. He had a sweet and funny way that made everyone feel at ease, even on the hardest days. Working with him was a privilege, and I'll always remember his quiet strength and the goodness he carried in everything he did. He made a difference in so many lives, and I feel so lucky to have known him. My heart and prayers are with his family and everyone that loved him. He will be so deeply missed.

I had the pleasure of serving with him in 2014. One thing I learned about him very quickly was that he never took things too seriously and it seemed like he always had an infectious smile on his face. Sleep well, brother.

Godspeed Alex, you will be missed. But I only knew you for a short time. You touched us with your generosity and help while you were sick.

Alex, Thank you for all the good times we had together. Your energy, your positivity, your fearlessness will be missed. You got me to ride down a terrifying mountain on a mountain bike that I had no business riding and taught me how to properly spin the tires in your Mazda. You are a legend. Your family raised a good man and an even better soul. Rest easy old friend.
