

Richard Lee Burt

March 12, 1932 ~ February 29, 2024

Dorothy and family, I was so sorry to hear of Dick's passing. He was a wonderful friend to our family over the years. He was a great Bishop. I will always have a soft spot in my heart for the love he showed to our family. May you be comforted at this time and remember the memories of a great husband, father and grandfather. Sending prayers and hugs for you all.
