My sweet Michelle, My heart is broken for you! I know you loved and adored Doug with all your heart. You have a beautiful and strong Family. I wish you love and peace and know you are always in my heart and prayers. Someday I hope you will come to visit me in my mountain in Montana, you are always welcome. I love you my sweet cousin... God be with you till we meet again xoxo

Doug was such a great person to work with. He was always so kind and willing to help. He will be so missed by the Dyno Finance team. Sending thoughts and prayers to the family. May Doug rest in peace.
