

Alexander Nic Ford

May 12, 1999 ~ January 8, 2026

Parker, Emily and family, We are so sorry you are experiencing the sad loss of Alexander. When we first met Parker in Minnesota, we were so impressed by his gentle kindness. It was apparent he was raised by loving and kind parents who raised their children to become kind, compassionate adults. May you all find peace and comfort in your cherished family memories. We pray that the love of those around you along with your faith will buoy you up in this time of sorrow.
