

Robert "Bob" James Brennan

August 24, 1935 ~ April 10, 2025

I had the opportunity of working with Bob in the church office building. Great Man super Heart and a good salt water Sailor. I hope that his family knows of the successful service he performed for Church education as a teacher and technology specialist. He was and still is a 110% servant of Heavenly Father and His Son Jesus Christ!
