

Alfred John McAllister

March 5, 1934 ~ September 2, 2022

I'm sorry to hear of the passing of 'Al McAllister, a wonderful man and longtime friend. He was in the top tier of rules officials in the state for the past quarter of a century. He was very knowledgeable of the rules of golf and administered them in a congenial manner. He was loved and respected by hundreds of golfers throughout the state. His volunteer work with the Utah Golf Association and the Utah Section of the PGA was greatly appreciated and respected by hundreds of Utah golfers across the state. During those years he officiated at every Utah Open and Utah State Am. He was cheerfully known by Utah golfers as "Big Al.' He will be greatly missed, but 'the other side' is probably in need of some good rules officials too. When I get there I hope he becomes my rules official because he had a soft heart---but on second thought--- 'he played by the rules.' When we get there we all will probably 'have to play the ball as it lies." Savor the birdies, Joe Watts
