January 11, 1947 ~ October 11, 2025

I didn’t know Brother White, but I served as a missionary with his son Brad. Knowing Brad, Brother White must have a been a good man. Sorry for your loss but I know death is not forever. Until you meet again

I worked with Doug for over twenty years at Bonneville International! We shared a long lasting friendship! His two sweet daughters would come up to my office and share their sweet stories! We enjoyed working and sharing friendships with our coworkers! I send my love and prayers to the family and may Eva be blessed with healing powers from our Heavenly Father! May peace with all of you! My love to all the family! Marjie Page

Doug White was a Christ-Like individual and his death surprises me. Though his passing catches me off guard, his life was one of caring and total regard for the individual. I know, as I was the subject of one of those political issues at our employment where integrity was a question . Doug knew the facts of the matter and vouched for the truth, bless him for this act of credibility .I hired Doug White and found him to be a dependable and hard worker. He could always be found researching issues that required such and was more than timely with his work. God bless our world with men like Doug.

Bishop White was such a kind and gentle soul. I am grateful I had the opportunity to serve as his counselor. He taught me how to righteously serve as a priesthood holder. He will forever be remembered by Sheri and I for his patience, kindness, and love. He and Eva raised a legendary family who will bring honor to their commitment to the Savior for generations to come.

Hello White family. Im sorry this has taken so long to get to. 1st of all..... THANK YOU for making me laugh SO MUCH during Doug's funeral! I seriously do not think I have ever laughed that much at a funeral, EVER!! I got to know this sweet man I would see at church occasionally, or the man walking to get mail, but I never had a chance to 'really' get to know him. I so much enjoyed all of the stories and memories that were shared. 2- There were some flowers left in the chapel. The next day when I walked through the chapel, the room smelt amazing! Thank you for sharing them with all of us who attended the building. Sending my love to all!!
