Sending deep condolences to the Peterson family. I work at Copper Creek and looked forward to seeing Lloyd every day. He was always the most helpful and happy. I really appreciated the light he brought. And I loved his love of movies. He will be greatly missed!!

We just got to know Lloyd over the past 3 months We were his ministers as part of the branch. We saw him on Saturday and he was coughing., but otherwise seemed to be o .k. We fell in love with him and will miss him a lot. We are so grateful he is back with his wife. He missed her so much.
