My condolences Charlotte, RIP with of our Celestial Father, strong hug

- David Rodriguez

Bob was my tax guy for many years. He knew every inch and cranny of the tax laws and if he wasn't sure he got out the big tax book and looked it up. Even if I was late getting my tax information to him, he would fit me in his schedule and get them done. He was a fine gentleman and brilliant man. My sympathies to his wife and family on his passing.

I so appreciate my friendship with Bob over the years he is truly one of the nicest and most friendly induviduals I have ever known. I wish I had been able to see him again before his passing.
