I was sorry to hear about Ron’s passing and send my condolences to all of the family especially to Leslie who is my dear friend and also Alison. Take care of each other. Its comforting to know Ron and Pat are together again.

Being Marie’s brother in law, I met Ron a couple of times , at family gatherings. I remember his quirky sense of humor and his ability to make me feel comfortable. He was a wonderful man, I’m sorry he’s gone, but am so glad he’s with Pat again.

Love and sympathy to the whole Madsen family. I'm so grateful for my association with your parents through the many years of being neighbors. They are lovely people who were humble and accepted all. I'm so glad they have been able to reunite. May you find peace in the beautiful memories you share together.

Ron Madsen was a wonderful guy. He was proof of the adage that the smartest person in the room is usually also the kindest. I never heard an unkind word from him. His many achievements, in his profession, his church, and his family, will endure although he's temporarily gone. I'll miss seeing him at our family reunions. My condolences to all of his family.
