Bryan and Family, I am so very sorry for your loss, I had the privilege to serve under President Jensen in the Danish, Copenhagen mission, your Dad’s spirituality and easy going personality influenced me in a way that has been with me throughout my life, even though it was but a brief time with your Dad! God bless you and your family through this difficult time ■■

Bryan og familie, Gud velsigne jer i denne tid ved jeres fars bortgang. Danske missionærer og især missions præsidenter er nogle af vores Himmelske Fathers bedste (undtagen mig) og jeg er sikker på at genkomsten var noget fantastisk. Dear Sister Jensen and family, You may not remember me. I was one of the first four sisters called to serve in Denmark after a long time of no sister missionaries serving in Denmark. I was so sorry to hear of Pres Jensen's passing. I feel so blessed to have been able to serve with him and your family. He was and is a great man, a man of God. I have always described him as one of the most Christ-like men I have ever known. I was older when I served and actually turned 25 before coming home. All of the sisters were at your home for a conference and Sister Jensen, you made the most delicious chocolate cake. I still have the recipe. I didn't think I would ever find the love of my life and marry but when I was 32, Heavenly Father blessed me beyond what I ever thought possible. Through many miracles and answers to many prayers, I met and married the man of my dreams-Neal Nowland. Together we have 4 boys and 1 daughter. One of our sons, Alma is an angel on earth and another miracle in our lives. He was born with water on the brain from a blood vessel that ruptured before he was born. He is currently 29 years old physically but 2 years or less mentally. I pray that you and your family will feel God's love and peace at this time. I understand what you are feeling since my husband, Neal, died suddenly and unexpectedly last August. I have experienced hard things before but losing him has been so hard. I miss him so. I love the message in the song, "While of These Emblems We Partake". It teaches in such beautiful language that not only will we "not remain a

slave, of death of hell or of the grave" but we will "rise triumphant from the tomb and in eternal splendor bloom". I look forward to that day to be reunited with my husband and so many loved ones, friends and family and especially with our Heavenly Father and Redeemer and Savior, Jesus Christ. With love, Sister Kathleen (Mower) Nowland
