So sorry Jeffie. I love you and always will. Sorry for Julie.

- Carol Gillins.

My condolences to Benson, Brindon, and their amazing Mother, Kaylee. I know the boys will continue life with the love of their father in their hearts. I know they are in good hands and the memory of their father will carry-on. I have been continually impressed by Benson and Brindon as they have grown up with maturity, good hearts, and humor. Dustin and Kaylee have raised exceptional boys, and Dustin's life will he honored through them.

Dustin had a way with words. He was always complimentary of others. Even though him and my sister Kaylee were divorced, they stayed committed to B and little B (Benson and Brindon). Dustin always told me what a great mom

Kaylee was, and how much he appreciated her. I know being a dad meant so much to Dustin. He enjoyed spending time with his boys. I asked them who taught them how to swim so good and they said, “Our dad.” I remember years ago, Dustin had no problem cliff diving at Flaming Gorge. He did this effortlessly. I told B and little B about this and they thought it was so cool. I’m sorry to the Christensen Family, the Maynes Family, the Hardy Family, and of course Kaylee and my B and little B, I love you so much! Dustin, we will miss you.

Lord I pray you to take Kaylee, Benson and Brindon who are grieving into your loving arms. Their lives have been shaken to the core filled with pain and questions. Be with them in their sorrow. I pray that you would uphold them and give them strength and understanding. Allow them to know they are not alone and will forever have their dad as an angel. I ask that as they get older Dustin’s spirit continues to shine in them to carry them through. It is in you most holy and precious name I pray. Amen
