Suzette, Mark and Randy, I am so sorry for your loss. It's been many years since seeing any of you, but I have been a part of your family since I was 15 when I use to watch Suzette for Julie. Then of course Meeting all of you and Brad. It was then that Brad and I started dating and I meet your Mother and Father. Aside from being a Siter for Suzette, I became very close to your Mom. Brad and I had kept in touch clear to the point of his illness. I saw him at the Bowling alley and many places prior to his illness. I really loved him and all of you. I am deeply sad I did not see him before he Passed, but I have wonderful memories of our years dating and then touching basis through the years. Rest in Peace Brad and Mark, Suzette and Randy, I am sure you have passed the hardest of grieving, but you have my deepest sorrow for the loss of Brad.
