Knowing Kenny was such an honor. His brother Rick and I were very good, close friends. Kenny's parents were among the best and always treated me as one of their own. What a great family.

Kenny was just a real great guy. I was privileged to have him as a close friend in high school. He always seemed to have a wry smile and a quiet but fun way about him. It's not a stretch to say that hanging out with Ken and his twin brother Randy back then made me a better person. Rest in peace Kenny.
