We love and miss you Uncle Allen! Thank you for sharing your great smile, amazing stories and kind heart with us. You will always be in our thoughts, prayers and heart.

The death of the father is the most painful moment in our life. Dealing with emotion in this situation is really difficult. The sad truth is, only the person who lost his father can feel how unbearable the pain is, no one else can feel it. So every now and then when some of our friends, colleagues, neighbors, well-known or closest ones, lose their father, it becomes really difficult for us to apprehend the situation they are going through My heart goes out to you in this sorrowful time of yours. May your dad rest in peace. Remembering your deceased father and your family in my prayers. Please accept my condolences on his untimely death. May God usher you and your family with peace and comfort. My God receives your father in heaven.

I only met Mr Carter on one occasion and spoke with him a few times on the phone after that. I went with Rick up to his parents home and was able to meet both of his parents. What kind and considerate host and hostess they were! Delicious food and engaging conversation. I remember spending an evening reminiscing about Rick growing up. It was obvious they were filled with love and pride for all their children and cherished their memories. It is crushing to lose some one you love but I hope there is consolation in knowing that Allen is reunited with all his loved ones now. My best wishes and heartfelt sympathy go out to all of you in this time. Even when we know someone is to pass it is still heartbreaking when it happens.

Uncle Allen we'll forever be in our hearts! His warmth and laughter always filled anyone who was in his presence. I am sure he is sharing stories with his new audience now; he truly was the best storyteller! We love and miss you! We look forward to when we will see you again!
