

Eddie "Ed" Alma Butterfield

June 1, 1935 ~ November 12, 2022

Sherry and I send our condolences to Bobbie and the entire family. Ed was a wonderful friend and a fun, fierce competitor who hated to lose at golf or any other competition - even pitching quarters. Most importantly, he loved Bobbie and his entire family so much and always spoke of them with love and pride. He will be greatly missed.
