Allen Michael Stolp

March 11, 1983 ~ December 3, 2022

Our deepest and profound love for you and your family in the passing of your son to his graduation into his reuniting with family on the other as ide of the veil Free to return to all he knew before and what he loves most about his memories with you. This will be a small moment in eternity when all are then reunited. The house music will be like nothing heard before and you will be together eternally.

- Bud and Marsha Hughes
