Grandma you are so loved. I will miss you so much. Every time I see an elephant or some beautiful flowers I know you are with me. Love you forever

Rva, the world has lost a bright shining star. I will forever miss your “disapproving look”: your eyebrow raised up, your glasses slid down to the tip of your nose, and the “what have learned today?” implied! You taught me so much 30 years ago, and I still admire and respect your dedication to teach me something! My heart goes out to your family, my sincerest condolences and loving prayers are with you always. Thanks for sharing your Mama’s time with me, my memories will always be filled with fondness!
