I am devastated and saddened by the news of Sally's passing. I am also saddened that we did not stay in touch after are kids were born. We were best friends all through Junior & Senior High, we had so many good times together and we were always sleeping over at each other's house. She was a wonderful friend who I will never forget. My sincere condolences to Reid and family. May we all meet again some day in heaven!

- Sandra Hock (Newhard)

I remember Mrs. Barthold from school. She was my kindergarten teacher in 2009. She was such a sweet woman and was one of my favorite teachers to date. She will be dearly missed by so many.
