

Elayne Clark

March 11, 1928 ~ September 15, 2025

Elayne was a kind and stalwart friend to me. We shared Idaho stories and a common hankering for old fashioned fruit cake. Gotta love a sweet Idaho girl especially one that enjoys a fruit cake. Elayne also was a dependable participant/leader in a neighborhood book club that added a richness to my wife, Jacquie. They can now compare notes in the great beyond! Thank you Elayne for being my good friend always eager to greet me!

The time that I spent with your beautiful and welcoming family was wonderful. I will always remember how Elayne Clark guided me in uncertain times. Her life was a beautiful one, and she meant so much to me. She will always be on my mind. Love to you and your family.
