

Sandy Fisher

December 30, 1940 ~ August 12, 2021

My dear cousins of Mother Saundra "Sandy" Shipp Fisher; my heartfelt sympathy and condolences to you for Sandra's untimely passing. She has progressed now. Your loving Cousin, Stephany Hunt Wuthrich and Family.

I was a member of the Winder 4th Ward for ten years and enjoyed my friendship and association with your Sandy very much. I loved her sense of humor and her laugh. We belonged to a book club for a couple of years together as well. I enjoyed her perspective in the book group and always was very interested in the books that she chose to review. She and Maxine Beck were great friends and I loved their friendship together. When your mother found out that I went to Brighton High School and then taught there we made the connection that I knew her sister Connie Christensen as well. Connie was one of my very favorite teachers. I admired Sandy's testimony and her faithfulness to the Gospel. I moved out of the ward a couple of years ago and missed her as well as many of the others in the ward. I was so sad to learn of her passing. I have thought of her often the past few days and I hope that you find peace and joy in sweet memories of your time with her and peace hope that families are forever.
