

Alta Lorraine Cunliffe

September 24, 1931 ~ March 29, 2026

My thoughts and prayers go out to you and your family.

- Lorena Neibaur

To Alta’s family: We are really grateful for the years we’ve had being Alta’s (and you too Gene’s) neighbors. And being good friends. We have many memories of dinners and movies and just being almost like family. We’ve missed them since they moved away. And I (Carolyn) will miss my dear friend, we’ve had many adventures together. And we wish you all comfort knowing Alta is in a new and beautiful place that she can enjoy.

- Carolyn & Merlin Anderson

Alta will be missed by so many people. Alta and my Carol worked in the church ward library for many years laughing and just enjoying each others company. Lots of love to Gene and all his family.

- John Moody

Alta is a wonderful woman--bright, articulate, and a wonderful friend. She will be dearly missed. Condolences to Gene and her family.
